We understand that people are the backbone of all successful businesses, which is why we collaborate with businesses of all sizes to help them create great workplaces and maximize the potential of their employees.

Our HR support package allows us to act as an extension of your business, providing you with the expert advice you need for the short and long-term needs of your business. Here's what you can expect to see from this package:

✓ **Powerful HR platform**

Our HR platform has simplified core people tasks, allowing you to manage all your company's HR tasks in one place. You'll be able to lose the spreadsheets, save hours on day-to-day admin tasks and stay compliant.

✓ **Dedicated HR Consultant**

You will get a dedicated HR consultant that will learn your business, its key objectives and understand how it operates. They'll act as an extension of your business, providing you with all the support you need for HR queries.

✓ **Tailored company and employee documentation**

Based on your initial session with HR, we will work with you to create tailored company and employee documentation.

✓ **Unlimited expert human support**

Employment law is always changing. We'll provide you with key updates and clearly communicate their impact on your business, highlighting how we can help you understand and implement them.

✓ **Legal updates**

Our complete offering of outstanding service paired with our powerful software means you have a second-to-none service, with all the answers at your fingertips.

✓ **H&S checklist**

We'll help you meet your legal H&S obligations with checklists, guides and optional access to experts to review your premises.
